SUMMARY (HQTS)

A. OSI to Transfer
(ESPD/TO)

25X1A1a

Professional
Clerical [redacted]

Additionally, there should be transferred at least [redacted] slot as an appropriate portion of OSI's Administrative support function. 25X1A1a

B. O/C to Transfer

25X1A1a

Professional
Clerical [redacted]

25X1A1a

This number has been informally suggested as appropriate by O/C. It is believed that an objective, unbiased review would provide [redacted] other slots that are ELINT in nature. Additionally, Administrative and logistic support for these personnel and for operations such as [redacted] should add [redacted] slots. Development, test and engineering should give [redacted] slots further if objectively considered. 25X1A1a

25X1A2d1

DD/P to Transfer

25X1A1a

Professional [redacted]

25X1A1a

It is likely that more than [redacted] full time individual works on ELINT slots in TSD but it is not expected that more than [redacted] slot will be supplied. 25X1A1a

C. New Slots

25X1A1a

Professional
Clerical [redacted]

If additional slots can be secured from OSI and O/C as indicated above, this total would be correspondingly reduced.

25X1A1a

Totals (Hqts) professional
Clerical [redacted]

In addition to this total, it may be desirable to place, [redacted] ELINT personnel in OSA/DDR Headquarters. 25X1A1a
